Sir:

I, Hervé GROUX, Valerie BRUN, and Arnaud FOUSSAT as follows:

1. Each of us is a named inventor of U.S. patent application 10/579,078.

2. Each of us is familiar with the 10/579,078 patent application, its prosecution before the United States Patent and Trademark Office, and the applied reference of FOUSSAT et al., "A comparative study between T regulatory type 1 and CD4+CD25+ T cells in the control of inflammation," *Journal of Immunology*, November 15, 2003, vol. 171, no. 10, pp. 5018-5026.

3. Together, we conceived and invented the subject matter disclosed in FOUSSAT et al. that is being applied as prior art against the present claims of 10/579,078.

4. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
